Thomas Jeff Herman* after the netflix original movie and bestselling nappily ever after venus returns in a heart warming new novel being married to a tv star raising their children in a plush atlanta penthouse and ducking anyone with a camera phone is part

of the territory and what's a celebrity without having a stalker or two? She's taken the bumps and bruises as gracefully as possible. Heaven forbid she leave the house in sweats, no make up and a head wrap but the worst of it ignoring the countless stories of Jake's indiscretions and swiping everything away as industry gossip has made her rethink the road less traveled within a few days of bumping into her ex Clint Fairchild. Feelings are rekindled, feelings are ignored. This is the life she chose. Married until death do they part even when news of another scandal breaks. Venus kicks into high gear as the superwife and fixer all the while not sure if she wants to go along quietly through yet another one of her husband's public disgraces. She wonders if there's another life waiting for her. One stoic and quiet behind the white picket fence she's always wanted. It's time to finally decide team Clint or team Jake. She chooses the one person who will love her forever and always through thick or thin ups and downs and above all else someone she can truly depend on. This novel is for anyone who needs to learn how to say goodbye especially when it's the hardest thing in the world to do.

A pure delight from start to finish, Kate Quinn, New York Times bestselling author of *The Diamond Eye* acclaimed author Trisha R. Thomas delivers a masterful new tale of scandal and intuition in 1950s oil-rich Oklahoma. Bailey Dowery, a dressmaker with the gift of second sight, reluctantly reveals the true loves and intentions of her socialite clients, making her a silent witness to a shocking crime in 1954 in the quaint town of Mendol, Oklahoma. Bailey Dowery is a black dressmaker for the wives and daughters of local oil barons. She earns a good living fitting designer gowns and creating custom wedding dresses for the town's elite. But beyond her needle and thread lies a deeper talent one passed down from her mother: the gift of insight. With just a fleeting touch or brush against the skin, Bailey has sudden flashes of intuition, witnessing the other person's hopes, dreams, and nightmares as well as glimpses of their past and future. To protect herself, she wears gloves to keep from grazing the skin of her clients as she pins them into their gowns. Brides have whispered that Bailey can see if their true love is faithful or if their marriage will be a success. Her aunt, Charlene

has always warned her it's safer to stay out of white folks business but bailey will reluctantly provide a reading during a fitting as long as the bride promises to be discreet now elsa grimes daughter of one of the richest oil men in oklahoma has come to the regal gown as the least joyful bride bailey has ever seen elsa's big society wedding is imminent and her gown is gorgeous but what bailey's intuition uncovers when she touches elsa's hand horrifies her against her better judgment she's determined to help elsa in whatever way she can but when the son of a prominent family turns up dead on the eve of elsa's wedding and the bride to be is arrested for his murder bailey is suddenly at the center of a firestorm that threatens to overtake her and everyone she loves
